

GREEN AVIATION

VILLAGE

A&DSS SEATTLE

APRIL 14-15, 2016

SEATTLE, USA

SHOWCASE AND PROMOTE
YOUR GREEN INNOVATION AT **A&DSS SEATTLE**

Organized by:

In partnership with:

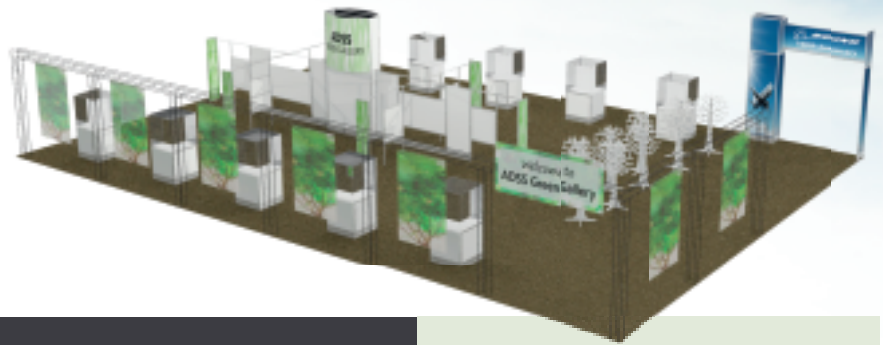

WHAT IS GREEN AVIATION VILLAGE?

A&DSS 2016 will feature an entire exhibit section that will focus on innovations that aim to reduce the impact of the aerospace and defense sector on our environment.

GREEN AVIATION VILLAGE

A&DSS SEATTLE

Get extra visibility for your green innovations at A&DSS Green Aviation Village!

WHY EXHIBIT

- **A prime location**
Get your own equipped exhibit space within A&DSS Green Aviation Village facing Boeing's booth
- **Promote yourself as green innovator**
Your company name and a description of your innovations inserted into the "Green Aviation" section of A&DSS online catalogue
- **Connect with targeted companies and potential business partners**

ABOUT

AEROSPACE & DEFENSE SUPPLIER SUMMIT SEATTLE

2016 will mark the Boeing Company's 100th year anniversary. Boeing is organizing a weeklong program of events for its supply chain partners to celebrate this milestone in their company history. A&DSS Seattle is proud to be part of this celebration.

900 companies

600 exhibiting companies

More 11 000 pre-arranged meetings

40 countries

seattle.bciaerospace.com

Whether you are already attending A&DSS Seattle or not, you can promote your project or your innovation at the Green Aviation Village.

The concept of Green Aviation Village is part of a larger initiative of BCI Aerospace in order to promote the greener approach in the aerospace sector.

The concept was previously a success at:
